What is RippleMatch Communities?

A candidate relationship management tool that scales how you market, recruit, and keep in touch with candidates.

The screenshot displays two main components of the RippleMatch interface. On the left is a toggle control for 'Auto-Add Great Fit Candidates', which is currently turned 'On'. On the right is a 'Communities' list showing various candidate pools with their respective counts and settings.

Community Name	Count	Settings
All Candidates	3750	
2022 Software Engineering Intern Pipeline	1145	Public, Auto-Add On
2022 General Intern Pipeline	942	Public
2022 Financial Analyst (Full-Time) Pipeline	840	Private, Auto-Add On
URM Sophomores	733	Private

Strategy Worksheet: Candidate Engagement

How to create your strategy for success

Candidate engagement should happen throughout the entire recruitment cycle — from branding to post-hire. This worksheet will guide you on how to reach candidates at each stage of your cycle so your team always has warm leads at the ready.

BRANDING RECRUITING APPLICATION ACCEPTED OFFER POST-HIRE

For each stage of the recruitment cycle you should think about your desired outcomes, audience, and tactics. Below is a framework to help guide your planning for each stage.

What are your desired outcomes? (What/When)	Who is your target audience? (Who/Where)	What are your specific tactics? (How)
e.g. Hire 40 Software Engineering Interns during Fall recruitment.	e.g. Incoming Seniors majoring in Software Engineering.	e.g. Email nurture campaign and host a Q&A event.

Answer questions like:

- What are you hoping to accomplish?
- What is the timeline for this?
- What content might you need to create?

Answer questions like:

- Who are you looking to reach?
- Where can you reach them?
- When is the best time to reach them?

Answer questions like:

- What tools, strategies, and activities will you use to achieve your goals?
- Who will execute the plan?
